

Syncro 30 Germany Roundtrip

To celebrate the 30th anniversary of the VW T3 Syncro the online German forum IG16 organised a tour of Germany for visitors from Australia, America, England, France, Holland and Spain to the Berlin Bus Festival. Other members of the IG16 forum joined up with the tour when it passed through their local areas. The trip started in Jüterbog and ended in Hamburg, passing through Dresden, along the Czech border, Munich, the Black Forest, the Rhine Valley and Hannover.
